# DEEP Q-CARD

## EPISODE 2

### Q1 How many breaths do you take in a day?

**Ask:** Have you ever counted how many breaths you take a day, or how many times your heart beats?

**Say:** Our bodies do these things whether we think about it or not. Like our bodies, God is always at work around us, even when we're not aware.

### Q2 How does God reveal himself every day?

Make a list of 5 ways we can see God at work around us.

Read **Psalm 139:1-7** to the group.

**Ask:** What does this passage teach us about God's presence?

**Say:** God created us to have a close friendship with him. He teaches us that he is always aware of what is happening in our lives because he loves us.

### Q3 How can you pray throughout your day?

Have someone look up and read **1 Thessalonians 5:17**.

**Ask:** What does it mean to pray continually?

Recall today's **Compass Point**: "To walk with God in prayer means you're aware He's there."

**Say:** What can we do this week to stay tuned in to God's? How can we continually look for God in our every day moments?

Pass out the Prayer Cards and ask your group to write down the commitment they made so you can pray for them this week.

Review today's **Memory Max** with hand motions. "Always be joyful. Never stop praying." **1 Thessalonians 5:16-17**

Close in prayer, asking God to help each child to remember to turn their thoughts toward him and to be able to notice the ways that he is at work in their lives.
